**EXAMINER:** Under U.S. Patent law, it is required that all information received by the USPTO from foreign patent offices be made available to the public. This includes information regarding the status of your application, as well as the results of examination. It is important that you understand the implications of this requirement. The USPTO will make available to the public all information received from foreign patent offices, including the results of examination, the status of your application, and the results of any opposition proceedings. This information will be made available to the public in the form of a publication, which may include the name of the inventor, the title of the invention, and the abstract of the invention. It is important that you understand the implications of this requirement.
